Dear Jim:

If you have not already seen the attached press release, it will tell you the outcome of our search for a new Executive Director for the National and International Security Executive Program. We think Bob Murray has exactly the qualities the job calls for, and we are delighted at the prospect of his joining us.

There were no fewer than sixty serious candidates or prospects. It was eloquent testimony to the reputation the program has gained.

As you can imagine, [Redacted] stood very high in that group. I told our Dean that I wished we had half-a-dozen jobs to fill.

Thanks again, and keep in touch.
